Date: \_\_\_\_\_

Dietary consultation involves a health profile. The purpose of the health profile is not to establish a diagnosis, but rather to determine a client's health status in order to guide his or her weight loss plan. A client may be advised to seek medical advice based on his or her health profile.

### Confirmation of full health status disclosure by the client and agreement to arbitrate disputes

I confirm that the information that I have provided to my Ideal Protein™ Protocol service provider (the “Clinic”) and that is recorded by me on this Ideal Protein™ Health Profile is true, complete and accurate and that I have not withheld or otherwise omitted, whether in whole or in part, any information concerning my health status. In this respect, I confirm that I have disclosed all past and present i) physical and/or mental health problems or concerns that I have experienced, ii) diagnoses and/or surgeries that I have had, and iii) medications and supplements that were prescribed to me or that I have taken.

Without limitation to the foregoing, I specifically confirm that I do not have any of the **conditions** and that I am not taking any of the **medications specifically highlighted in purple / identified as NPC or NPA on this form**. Furthermore, I understand that I should not be undertaking or otherwise following the Ideal Protein™ Protocol if I have any of the said conditions or if I am currently taking any of the said medications unless i) I specifically consult with a medical doctor concerning my suitability to go on the Ideal Protein™ Protocol, ii) remain under the supervision of said medical doctor while I am on the Ideal Protein™ Protocol, and iii) provide documentation confirming the foregoing.

I understand that if i) I have any of the aforementioned conditions or if I am currently taking any of the aforementioned medication, ii) have not disclosed same to the Clinic and iii) nevertheless chose to follow on the Ideal Protein™ Protocol without specific supervision, such decision will be completely voluntary, and I, for myself and my successors, release and discharge the Clinic as well as Ideal Protein of America Inc., their parent companies, subsidiaries and affiliates and each of their respective shareholders, directors, employees, agents, representatives, successors and assigns (collectively, the “Releasees”) from any and all damages, liability, claims and causes of action of any nature whatsoever (including for injury, illness or death) that may result from such voluntary and informed decision of following the Ideal Protein™ Protocol.

I confirm that the Ideal Protein™ Protocol has been explained to me, that I have had the opportunity to ask questions relating to the Ideal Protein™ Protocol, that I have been provided with the answers to such questions and that I understand the importance of strictly following the Ideal Protein™ Protocol as explained to me verbally and in the materials provided to me, both before and during the period I will be following the Ideal Protein™ Protocol.

Without limitation to the foregoing, I confirm that I have been advised that because the Ideal Protein™ Protocol limits the ingestion of certain foods, it is important that I consume the recommended vitamins and minerals while I am on the Ideal Protein™ Protocol.

I undertake to disclose immediately to the Clinic any and all changes in my health status, discomfort, symptoms or other health concerns that I may experience while I am following the Ideal Protein™ Protocol.

I specifically agree that all claims against any of the Releasees that I may have or choose to make shall only be submitted to binding arbitration under the rules of the Arbitration Act or similar statute of my state of residence, and I waive any rights to pursue any claims or causes of action in any court of law.

## **Informed Consent for Weight Control Program for The Devine Touch**

### **Consent to participate**

I hereby consent to act as a participant in a weight control program involving the use of Ideal Protein foods and supplements. I understand that various coaches of The Devine Touch may provide this to me.

I have been informed that the benefits and value of this method are only guaranteed if the protocol is followed as set out from Ideal Protein of America. We want you to be healthier and lose weight, but first you must have the desire to do so. Results on the Protocol are predictable and repeatable, which represents the gold standard in scientific medicine. We feel passionately that we cannot fulfill our promise to you if you do not strictly adhere to our Protocol. We have developed these guidelines for Ideal Protein participants.

We can only effectively coach you to RESULTS if you:

\*Follow the Ideal Protein Protocol EXACTLY. All required Ideal Protein supplements purchased at The Devine Touch as stated on my Phase 1 & Step-Down sheet must be taken each day.

\*Journal your daily intake of food, fluids & supplements. BRING YOUR JOURNAL TO ALL WEEKLY CONSULTATIONS.

\*Maintain your weekly appointments with your Ideal Protein certified Coach.

\*Don't Cheat!!

I understand that I have the right to discontinue after I have begun and that there are no refunds on Devine Touch Program Fees, opened Natura Supplements or Ideal Protein food products. I understand that I have the right to ask questions and to know the purpose and objectives of my treatment program. I understand that I must remain compliant with the rules set out by my coach in conjunction with Ideal Protein protocol and method. That my coach(s) will work with me to help me to stay compliant to the best of their ability.

Having read this page, I hereby consent to this program. I have had adequate time to ask any questions and understand the answers provided. Any future questions may be posed and will be responded to in a timely fashion.
